When you visit or communicate with us through our website, certain information is automatically gathered. This document outlines what we do and do not collect. Gathered information is used to improve the content of our web page and to serve visitors' requests. It includes but may not be limited to the following:

- Each site visitor's domain name will be automatically recognized.
- The domain name or search source (Yahoo, Google, etc.) will be collected.
- If you communicate with us via email, we may collect your email address.
- Aggregate information on specific pages that consumers access or visit, user-specific information on pages consumers access or visit, information volunteered by the consumer such as survey information and/or site registrations will be collected.

Other things you should know about our website are:

- We do not set cookies and do not partner with or have special relationships with any ad server companies.
- If you supply us with your postal or email address online, you will only receive the information for which you provided us your address.
- Website visitors who supply us with their telephone numbers online will only receive telephone contact from us with information regarding information requests that they have submitted to us online.
- We have appropriate security measures in place in our physical facilities to protect against the loss, misuse or alteration of information that we have collected from you at our site.
- If changes are made to our information practices in the future, those policy changes will be posted in this online document in order to notify you of the changes. These will be used for the newly added purposes for the data collected from the time of the policy change forward. If you are concerned about how your information is used, periodically check this web site document.

If you feel that this site is not following its stated information policy, please contact us at the above addresses or phone numbers.

Thank you.
